

24th January 2023

Greetings to all from Maher Foundation, The last three years have been very difficult for everyone with the Covid epidemic. Yet MF has continued with their job and in fact progressed well.

MF has been active since last 15 years. Over this time we have successfully supported over 150 students of which 100+ have already graduated and a further 50+ are under graduates. Many of the graduates have moved on with post graduations in their fields.

All this is possible with your support. We highly appreciate your donations. No donation is small.

Our bank details are:

ACCOUNT NAME: MAHER FOUNDATION

BANK OF BARODA, 59A BELGRAVE ROAD, LEICESTER LE4 6AS

SORT CODE: 60-94-98 ACCOUNT NUMBER: 91003953

MAHER FOUNDATION - JAN'23

Registered UK Charity No: 1125220

We work towards education excellence at college level by supporting bright Maher students with limited financial capacity. We provide an interest free loan to these students.

Throughout students' education, they are also guided and provided with valuable advice to achieve the best possible educational outcome. We provide moral support and guidance to students wishing to study in India as well as overseas for a second degree.

Maher Foundation is dedicated and passionate about the work being done in the educational field and is ever so resolute to provide more of the same in future. We believe our work not only touches lives of students but also those who are in contacts with the students.

Education is lifelong skill

Currently studying
